Investors who wish to convert their shares issued by AST into SDRs should through their U.S. depository banks deliver the shares to AST. Initiate the DWAC and the AST DWAC Dept will accept the shares. If issues incur you may send an email to AST to DWAC2@amstock.com. AST will credit the shares to the SEB account. After confirmation from AST, SEB will issue the SDRs through Euroclear Sweden. One SDR represents one common share.

Investor who wishes to convert SDRs to US shares begins with the delivery of SDRs to SEB via swift messages to ESSESESM. Conversion fee is 2.500 SEK per instruction and is invoiced to the Swedish entity.
